Re: RUGBY

Dear Principals,

On May 2, 2019 the Board of Governors removed rugby from the NSSAF sport schedule. The Minister of Education has directed the Board to reinstate rugby but as of May 5, 2019 the Board of Governors have not resolved the issue.

Any school playing rugby, like any other non NSSAF sport, is at the discretion of the principal.

The NSSAF will provide updated information as available.
